Kreutzfeldt noted that hearings need to be scheduled for drainage permit D25-008, applicant Gerald Schmeichel and drainage permit D25-005, applicant C&E Family Farms Inc, because downstream landowner signatures haven’t been obtained. Motion Gordon to schedule drainage hearings on May 13th, 9:30 a.m. for permit D25-008, Gerald Schmeichel, and 9:45 a.m., for permit D25-005, C&E Family Farms Inc. Second Heumiller. Motion carried.

Motion Gordon to convene as Board of Adjustment. Second Dick. Motion carried.

Anna Flogstad, Zoning Administrator, and Travis Raap, Hwy Supt, were present.

At 10:30 a.m. the Board of Adjustment held a public hearing to receive input concerning a request for conditional use. Applicant Abram Hotz (present). Legal description: Nugteren’s Add in W2NW4 22-101-53. Reason: Agribusiness in Ag District - Compost Facility. Flogstad presented the Conditional Use Application to the Board and pulled up the parcel on the Beacon site. Hotz presented

his business plan to the Board. Flogstad asked about packaging material. Hotz stated that to start, it would be hauled by the consumer in trailers or other means, and depending on how the business grows, they may have to consider packaging product to sell. Hwy Supt Raap asked about truck traffic, noting that weight limits can be in place anytime between February 15th and April 30th. Hotz noted that initially a ¾ T truck w dump trailer will be used to haul waste product which will be mixed with wood chips, don't know weight of chips. The compost will be lighter than manure. Raap doesn't see wood chips being an issue as far as weight limits. Kris Tott asked about rodents with re to the food waste. Hotz noted that they will be using traps, cats & dogs, and because they are row composting, they will be continually turning the rows. Hotz added that the State will review the facility in two years. The following conditions were noted: review growth of business with State permitting timeline. May need to sign a road haul agreement if traffic and/or truck weight load increases in that time. With no further questions or discussion, motion Dick to approve the Conditional Use application and the following resolution. Second Gordon. All members voted aye. Motion carried.

**RESOLUTION TO ESTABLISH A FOOD WASTE COMPOSTING FACILITY
RESOLUTION 2025-04**

WHEREAS, Abram Hotz desires to establish a Food Waste Composting Facility for the purpose of solid waste management; and

WHEREAS, the siting of the proposed facility is not in conflict with any established zoning laws or ordinances; and

WHEREAS, Abram Hotz has (or will) file (d) a solid waste application with the South Dakota Department of Agriculture and Natural Resources (DANR); and

WHEREAS, DANR has (or will) review (ed) that application to determine that the facility can be operated within the South Dakota laws and regulations; and

WHEREAS, DANR has (or will or may) recommend the approval of the permit with conditions adequate to safeguard the environment; and

WHEREAS, the Board of Minerals and Environment will review, modify, approve, or deny the permit if the tentative recommendations and/or conditions of the permit are contested by an interested party; and

WHEREAS, the County Commission of McCook County is required by SDCL 34A-6-103 to approve a solid waste facility prior to issuance of a solid waste permit;

IT IS THEREFORE RESOLVED that the McCook County Commission hereby approves construction and operation of the proposed facility to be operated under the terms of a solid waste permit to be issued by the Board of Minerals and Environment.

Approved this 22nd day of April 2025.
